

COVID-19 GUIDELINES FOR PASSENGERS

COACH TRANSPORT

1. Wear a face mask throughout the journey
2. Make sure that you have submitted a completed declaration of health to the organizer of the trip or the transport company.
3. Do not board the bus if you have a fever, a cold or other symptoms of illness related to COVID19.
4. Obey the guidelines stated in this document . The driver determines what is allowed and what is not allowed. If a passenger does not comply with the guidelines, the driver can forbid entry.
5. Follow the rules below for embarking and disembarking the coach:
 - a) Enter the coach through the central door. Leave the coach through the central door
 - b) Get into the coach one by one and get out of the coach one by one
 - c) When embarking or disembarking the coach, make sure you are practicing social distance (1,5m)
 - d) Continue until the first empty seat at the end of the aisle before taking a seat. In other words: walk as far as possible when boarding and then sit down.
 - e) Please use the same seat as much as possible (when travelling with a fixed group).
 - f) Please do not leave any waste behind; and in particular do not leave behind used face masks.
 - g) When disembarking, allow the passengers closest to the exit to disembark first.
6. Do not walk in the coach, in order to maintain social distance whenever possible
7. Pay contactless (when payments are made on the bus).
